

IN THE UNITED STATES DISTRICT COURT  
FOR THE SOUTHERN DISTRICT OF WEST VIRGINIA  
AT CHARLESTON

UNITED STATES OF AMERICA

v.

CRIMINAL NO. 2:96-00188

JOEY E. BESS

MEMORANDUM OPINION AND ORDER

The court is proceeding on its own motion, pursuant to 18 U.S.C. § 3582(c)(2), to reduce defendant's sentence based on a subsequent reduction in the applicable sentencing guideline. On November 1, 2007, the United States Sentencing Guidelines were amended to reduce by two levels the guidelines in Section 2D1.1 for cocaine base (also known as crack). Subsequently, the Sentencing Commission amended Section 1B1.10 to make the crack amendment retroactive, effective March 3, 2008.

The court has received and considered the Original Presentence Investigation Report (PSI), the Judgment and Commitment Order and Statement of Reasons, addendum to the PSI from the Probation Office, memoranda filed by defendant and the United States, and other matters of record. The court has also considered the applicable factors under 18 U.S.C. § 3553(a), consistent with § 3582(c)(2), and public safety.

Having reviewed the materials of record, the court has determined that the motion must be **DENIED**. As counsel for

defendant concedes, the guideline range applicable to defendant has not been lowered as a result of the amendment.

The Clerk is **DIRECTED** to send a copy of this Memorandum Opinion and Order to defendant, counsel of record, the United States Probation Office, and the United States Marshal for the Southern District of West Virginia.

It is SO ORDERED this 18th day of July, 2011.
